

Understanding Crime in Chicago

Alejandro Armas

Introduction

Chicago is a beautiful city with many tourist attractions and incredible scenery. Unfortunately, it also has a reputation for high crime rates. This led me to take a deeper look into the crimes that occur daily in Chicago, with a particular focus on violent crimes.

Overview of Crime Categories

Crimes can be grouped into primary types: Theft, Violent Crime, Criminal Damage, Minor Offense/Drugs, and Other.

- ▶ **Theft:** crimes involving stealing or burglary.
- ▶ **Violent Crime:** physical harm or threat to individuals.
- ▶ **Criminal Damage:** damage to property or physical objects.
- ▶ **Minor Offense/Drugs:** low-level infractions and drug-related crimes.
- ▶ **Other:** miscellaneous crimes not captured above.

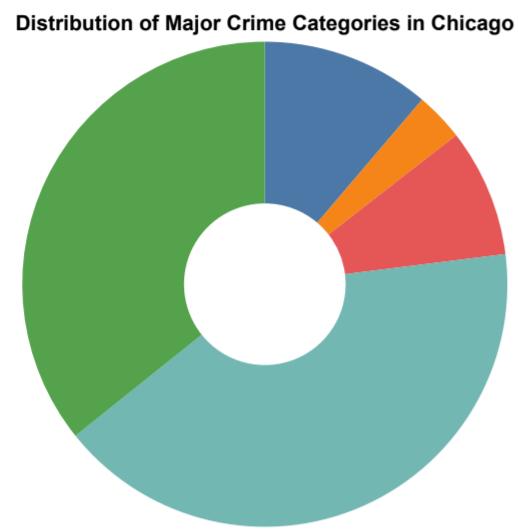

Figure: Distribution of Major Crime Categories in Chicago

Theft and violent crimes dominate the city's crime landscape, with criminal damage trailing behind.

Violent Crimes Breakdown

Violent crimes include battery, assault, robbery, weapons violations, and others. A concerning trend is the high number of domestic incidents, especially in battery and assault cases.

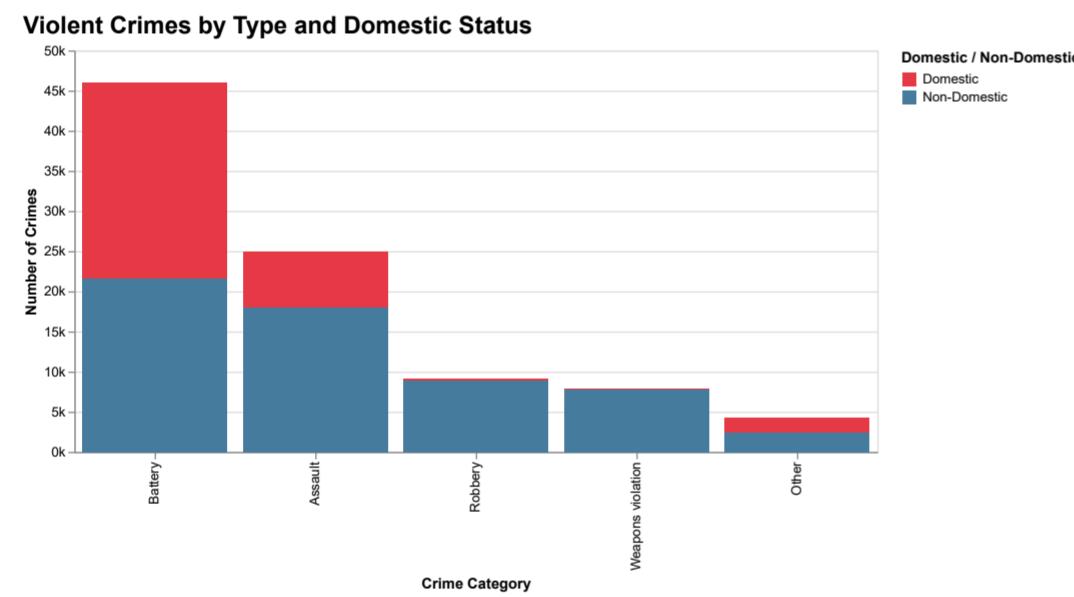

Figure: Violent Crimes by Type and Domestic Status

Robbery is less frequent than battery or assault, which often stem from direct aggression.

Seasonal and Daily Crime Patterns

Crime timing is closely tied to public activity. Incidents spike during summer months.

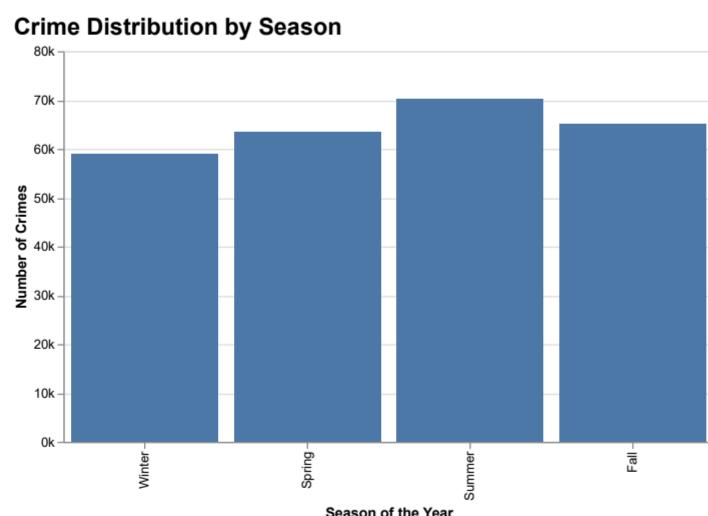

Figure: Crimes by Season

Most crimes occur between 3 p.m. and 8 p.m. Early morning hours on weekends also show higher activity.

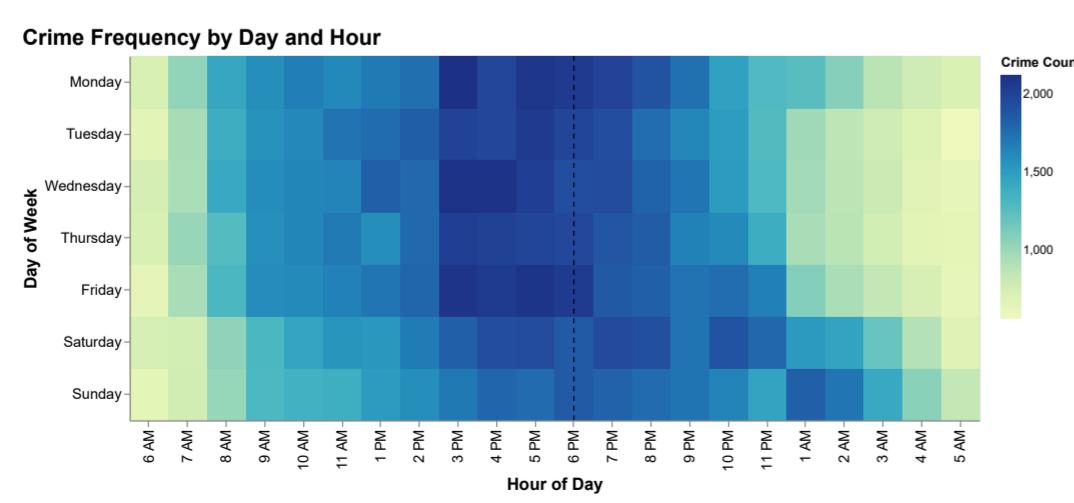

Figure: Crime Frequency by Day and Hour

Hourly Trends in Violent Crimes

Battery peaks between 3 p.m.–11 p.m., assaults cluster around 3–6 p.m., and weapons violations occur mainly at night. Robberies are evenly distributed.

Conclusion

Theft and violent crimes are the main challenges. Patterns reflect daily life, suggesting prevention must consider time and place. Future research could integrate socioeconomic data and urban planning.
